

SIGNAGE SOLUTIONS

2026

Normal service: 4-5 Days

Laminating: 1 extra day

Express service: Add 50%

Express service subject to workload. Turnaround times exclude public holidays, weekends and lab closures.

Grand format printing from prepared files onto a variety of materials for POS, signage, display and exhibition purposes. Also available: flags, frosted window film and more. If the media you require is not listed here please ask us and we will try to accommodate.

Various finishing options available. Only premium vinyls which resist excessive shrinking, softening, separation and adhesive failure are used. Outdoor life of select materials can be extended by up to 2 years with laminating. For large outputs, special projects or requirements, please contact our sales team.
