

HIGH END FLATBED SCANNING

NORMAL SERVICE: 1-3 Working days

EXPRESS SERVICE: Add 50%

Express service subject to workload. Turnaround times exclude public holidays, weekends and lab closures.

PRINT READY SCANS

These scans are of the highest quality and include dust removal from the scanning process. These scans also include file preparation for print such as re-sizing, cropping and minor colour and contrast adjustments. Files are provided in TIFF format, 300dpi, 8bit, Adobe RGB. Multimedia scans provided as JPEG, 72dpi, 8bit, sRGB.

RAW SCANS

These excellent value scans offer the same high quality using the same equipment, but without dust removal or file preparation for print. Raw Scans are ideal for those capable of using image editing software.

WHAT ITEMS CAN WE SCAN?

Our flatbed can scan original items up to A3 in size. These items may be original artworks old photographs, film negatives and transparencies.
